Benjamin Court is a modern Housing with Care scheme, with 30 housing flats, which have twenty-four hour access to care. Each attractive, self-contained flat is easy to manage. The flats comprise a kitchen area, sitting room, bathroom, and bedroom. You will also find an emergency call system, fire alarm system, TV and telephone sockets in every flat.

Benjamin Court is located on the North Norfolk coast, in the popular town of Cromer. Cromer gives you the opportunity to enjoy the delights of a coastal destination on your doorstep, and is home to a variety of amenities.

Inside your new home

You will be able to fully furnish your flat. This gives you the opportunity to put your own personal touches to your new home.

Other facilities

Within Benjamin Court there are lounge areas, where you can meet with other tenants, get involved with activities or simply relax in peace and quiet. We also have regular visits from the hairdresser.

The environment that we create at Benjamin Court is hugely important to the tenants and us. We want everyone to be happy, relaxed and ultimately feel like they are at home.

Insuring your home

It is your responsibility to insure the contents of your new home. We can help you with this process if you need guidance and assistance.

Your health and personal care

Care Plan

Once you become a tenant at Benjamin Court, a senior member of staff will sit with you to agree your personal care plan.

The care plan is our chance to get to know everything about you, and your needs. This allows us to discover your interests, personality and what method of care works best for you. Family members and friends are also encouraged to take part in agreeing your care plan.

The plan will also include an assessment of any risks and how these need to be managed, details of your health care needs, medication, doctor and any other community therapy services provided.

If your current medical practice covers the area of the scheme, you can keep your existing doctor. If not, we can provide you with details of GP surgeries who are happy to attend Benjamin Court.

Quality of service and visiting

You can make a difference

At Benjamin Court we make sure every tenant has the opportunity to get involved in regular meetings. This allows tenants to feel included in the family that is created here, and make a difference to how the scheme is run.

We encourage tenants to discuss issues they are concerned about, and to put forward ideas to enhance their lives, such as food improvements, activities and entertainment.

We also carry out regular audits to get a range of feedback from you and your relatives on the level of care that is delivered.

Visiting

Family and friends are most welcome to visit at any time. You are more than welcome to invite a relative or friend to join you for a meal in the restaurant, a charge will be made for this, and there are facilities within your flat to cook meals and prepare drinks.

Visitors may also bring in well-behaved pets to visit.

Meals

Meals are freshly prepared by our catering staff and available to purchase in the restaurant. Special diets are catered for and a varied seasonal menu is offered each day. Tenants are consulted about their preferences when menus are reviewed periodically. Food orders can also be made to a local store who will deliver to your door.

Obtaining a tenancy

If you are interested in living in a Housing with Care scheme, you will need to have both a housing need and a social care need. Your housing needs will be assessed by your local district council once you have completed a housing application form. Your social care needs will be assessed by Norfolk County Council Community Services Department. A pre-assessment will then be carried out jointly by a senior member of the scheme and the housing association to ensure we can meet both your care and housing needs. You can contact your local district council using the details on the next page.
