Weavers Court

Weavers Court is a Housing with Care scheme, home to 49 housing flats, which all have twenty-four hour access to care. Each attractive, self-contained flat is easy to manage. The flats comprise a kitchen area, sitting room, bathroom and bedroom. You will also find an emergency call system, fire alarm system, TV and telephone sockets in every flat.

Weavers Court is situated in the thriving town of Diss, South Norfolk. The scheme is located close to a range of amenities.

# Your health and personal care

## Care Plan

Once you become a tenant at Weavers Court, a senior member of staff will sit with you to agree your personal care plan.

The care plan is our chance to get to know everything about you, and your needs. This allows us to discover your interests, personality and what method of care works best for you. Family members and friends are also encouraged to take part in agreeing your care plan.

The plan will also include an assessment of any risks and how these need to be managed, details of your health care needs, medication, doctor and any other community therapy services provided.

If your current medical practice covers the area of the scheme, you can keep your existing doctor. If not, we can provide you with details of GP surgeries who are happy to attend Weavers Court.

# Quality of service and visiting

## **You can make a difference**

At Weavers Court we make sure every tenant has the opportunity to get involved in regular meetings. This allows tenants to feel included in the family that is created here, and make a difference to how the scheme is run.

We encourage tenants to discuss issues they are concerned about, and to put forward ideas to enhance their lives, such as food improvements, activities and entertainment.

We also carry out regular audits to get a range of feedback from you and your relatives on the level of care that is delivered.

## **Visiting**

Family and friends are most welcome to visit at any time. You are more than welcome to invite a relative or friend to join you for a meal in the restaurant, a charge will be made for this, or you can use your flat to cook meals and prepare drinks.

Visitors may also bring in well-behaved pets to visit.

## **Meals**

Meals are freshly prepared by our catering staff and available to purchase in the restaurant. Special diets are catered for and a varied seasonal menu is offered each day. Tenants are consulted about their preferences when menus are reviewed periodically.
